By this Public Notice, the Wireline Competition Bureau (WCB) announces the date and time of the 19th Local Number Portability Administrator (LNPA) Transition Outreach and Education Plan (TOEP) webcast and the LNPA Transition Contingency Rollback Planning Session (Session).

First, the TOEP webcast is scheduled for **August 16, 2017 at 3:00 pm EDT**, and will be hosted by PriceWaterhouseCoopers, LLP, the Transition Oversight Manager (TOM) for the LNPA transition. The previous TOEP webcasts were held on December 9, 2015; January 27, 2016; March 9, 2016; April 20, 2016; May 25, 2016; June 21, 2016; July 20, 2016; August 31, 2016; September 21, 2016; October 27, 2016; December 13, 2016; January 18, 2017; February 15, 2017; March 15, 2017; April 12, 2017; May 17, 2017, June 14, 2017, and July 19, 2017.² These webcasts are designed to keep interested parties informed about the upcoming LNPA transition. Interested parties may register for the webcast by visiting: https://event.webcasts.com/starthere.jsp?ei=1157855&tp_key=0441cb5f47.

The objectives for the TOEP webcasts are three-fold:

- To provide transparent communications regarding the LNPA Transition;
- To serve as an open forum to gather and understand needs and concerns; and,
- To incorporate feedback to improve future communications.

One week before the webcast, the agenda will be published on the LNPA Transition tab of the napmlc.org website. LNPA Transition-related links and documents, including content from the previous TOEP webcasts, may also be accessed through the Reference Document tab on napmlc.org.

Second, during the LNPA Session, the TOM will facilitate an interactive discussion on LNPA contingency rollback planning. Ex Parte Presentations. This proceeding shall continue to be treated as a “permit-but-disclose” proceeding in accordance with the Commission’s *ex parte* rules, and other relevant WCB guidance.³ To the extent that parties make presentations that are not subject to the modified procedures, the Commission’s filing requirements for “permit-but-disclose” proceedings under Section 1.1206 of the Commission’s rules apply.

Persons making *ex parte* presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter’s written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Documents shown or given to Commission staff during *ex parte* meetings are deemed to be written *ex parte* presentations and must be filed consistent with rule 1.1206(b). In proceedings governed by rule 1.49(f) or for which the Commission has made available a method of electronic filing, written *ex parte* presentations and memoranda summarizing oral *ex parte* presentations, and all attachments thereto, must be filed through the electronic comment filing system available for that proceeding, and must be filed in their native format (e.g., .doc, .xml, .ppt, searchable.pdf). Participants in this proceeding should familiarize themselves with the Commission’s *ex parte* rules.

For further information, contact Marilyn Jones or Michelle Sclater, Wireline Competition Bureau at (202) 418-2357 or Marilyn.Jones@fcc.gov, or (202) 418-0388 or Michelle.Sclater@fcc.gov.

See *Notice Concerning Ex Parte Status of Communications with Respect to the Local Number Portability Administrator Selection Proceeding*, Public Notice, 30 FCC Rcd 8425 (WCB 2015). Parties should consult the *LNPA Ex Parte Status PN* to determine if planned *ex parte* presentations are subject to the modified procedures discussed therein, or the Commission’s standard *ex parte* rules.
